## Instruction Manual

### Contents:

AstroShot Zero-GX training kit includes 1 blaster, 12 foam darts, 10 target orbs, and 1 Zero-GX training module with 5 anti-gravity pedestals and 5 knock-down targets. Have a blast!

### Play in the Dark:

Charge up the glowing green pieces in the sun or with a flashlight and see your Astroshot Zero-GX glow in the dark!

### Assembly:

Insert the pedestals or knock-down targets into the module.

Insert four C batteries into the module.

Attach dart clip to blaster.

### POWER SWITCH

Medium Power

Adjust power switch to Medium or Max to float the target orbs at different heights.

### MUSIC SWITCH

Play the Space Battle Soundtrack or switch to Silent Mode. Your move.
