

# Multiplayer Laser Tag Game

# LAZER TAG

## RECHARGE

## Quick Start Guide

**Blaster:** Before play make sure batteries are inserted and charged.

**Vest:** Before play make sure batteries are installed and charged. Fill vest sprayer with water.

1. Turn **Power Switch** on blaster to the on position.
2. Push the **Switch Teams** button to choose team color (Red, Blue, Green, Or White)
3. Turn **Power Switch** on vest to the on position.
4. Press the reloader to load bullets for your blaster.
5. Aim blaster at your vest and pull the trigger. This will sync your vest to the correct team.
6. Choose blaster type and start play!
